

February 2010

## VITA

### V. JOSEPH HOTZ

**CITIZENSHIP:** United States

**ADDRESS:**

Department of Economics  
Box 90097  
Duke University  
Durham, NC 27708-0097  
Tel.: 919-660-1841  
Fax: 919-684-8974  
E-mail: [hotz@econ.duke.edu](mailto:hotz@econ.duke.edu)  
Website: [www.econ.duke.edu/~vjh3](http://www.econ.duke.edu/~vjh3)

**EDUCATION:**

Ph.D., Economics, University of Wisconsin-Madison, 1980  
M.S., Economics, University of Wisconsin-Madison, 1977  
B.A., University of Notre Dame, *summa cum laude*, 1972

**AWARDS AND HONORS:**

Borden Freshman Prize (University of Notre Dame), 1969  
Phi Beta Kappa, 1972  
Who's Who in America, 1993-Present  
Fellow, Econometric Society, 2003  
Colin Clark Lecture (Invited Lecture), Econometric Society Australasian Meeting, 2011

**AREAS OF SPECIALIZATION:**

Labor Economics  
Economic Demography  
Evaluation of the Impact of Social Programs  
Applied Econometrics

**PROFESSIONAL EXPERIENCE:**

2008-Present Arts and Sciences Professor of Economics, Department of Economics, Duke University.  
2000-Present Research Affiliate, Institute for Research on Poverty, University of Wisconsin.  
2003-Present Research Affiliate, National Poverty Center, Gerald R. Ford School of Public Policy, University of Michigan.  
2008-Present Research Fellow, Institute for the Study of Labor (IZA).

1997-Present Research Associate, National Bureau of Economic Research.

2007-2008 Professor, Department of Economics, Duke University.

1997-2008 Professor, Department of Economics, University of California, Los Angeles.

1998-2008 Research Affiliate, California Center for Population Research, University of California, Los Angeles.

1998-2007 Principal Investigator, California Census Research Data Center, UCLA.

2005 Visiting Professor, Department of Economics, Johns Hopkins University.

2005 Visiting Professor, Department of Economics, Northwestern University.

2000-2004 Chair, Department of Economics, University of California, Los Angeles.

1997-2003 Consultant, RAND.

1997-2003 Professor (by courtesy), Department of Policy Studies, School of Public Policy and Social Research, University of California, Los Angeles.

1997-2003 National Research Associate, Joint Center for Poverty Research, Northwestern University/University of Chicago.

1996-1997 Faculty Associate, Joint Center for Poverty Research, Northwestern University/University of Chicago.

1995-1996 Visiting Scholar, RAND.

1992-1997 Professor, The Irving B. Harris Graduate School of Public Studies, University of Chicago.

1990-1995 Director, Population Research Center, NORC and the University of Chicago.

1989-1992 Research Associate, Institute for Research on Poverty, University of Wisconsin-Madison.

1989 Acting Dean, Graduate School of Public Policy Studies, University of Chicago.

1988-1992 Associate Professor (with tenure), The Irving B. Harris Graduate School of Public Studies, University of Chicago.

1987-1988 Visiting Assistant Professor, Committee on Public Policy Studies, University Chicago.

1986-1997 Faculty Associate, Committee on Demographic Training, University of Chicago.

1986-1997 Research Associate, Population Research Center, NORC and University of Chicago.

1985-1988 Director, Program in Quantitative Economic Analysis/NORC, University of Chicago.

1984-1987 Visiting Assistant Professor of Economics, Department of Economics, University of Chicago.

1982-1995 Research Associate, Economics Research Center/NORC, University of Chicago.

1981-1982 Visiting Fellow, Economics Research Center/NORC, University of Chicago.

1980-1984 Assistant Professor of Economics, Graduate School of Industrial Administration, Carnegie Mellon University.

1977-1979      Lecturer, Graduate School of Industrial Administration, Carnegie Mellon University.

**PROFESSIONAL SERVICE ACTIVITIES:**

Presented Papers at University of Arizona; University of British Columbia; Brown University; University of California, Berkeley; University of California, Irvine; University of California, Los Angeles; University of California, Riverside; University of California, San Diego; University of California, Santa Barbara; Carnegie Mellon University; University of Chicago; Columbia University; Cornell University; Duke University; Harvard University; The Hoover Institution; University of Houston; University of Illinois, Chicago; University of Iowa; Johns Hopkins University; University of Kentucky; Massachusetts Institute of Technology; McMaster University; University of Miami; University of Michigan; University of North Carolina, Chapel Hill; University of North Carolina, Greensboro; New York University; Northwestern University; University of Notre Dame; Ohio State University; University of Pennsylvania; Penn State University, University of Pittsburgh; Princeton University; RAND; Rice University; University of Rochester; University of Southern California; Stanford University; Texas A&M University; University of Toronto; University of Virginia; University College London; Washington University, St. Louis; University of Washington; University of Western Ontario; University of Wisconsin; and Yale University.

Member, School Distinguished Professor Committee in the College of Arts & Sciences, Duke University, 2009-Present.

Editorial Board, *Advances in Life Course Research*, 2008-Present.

Member, Committee on National Statistics, National Research Council, 2006-Present.

Member, American Statistical Association's Survey Research Methods (ASA/SRM) Working Group on Technical Aspects of the Survey of Income and Program Participation (SIPP), 2008-Present.

Member, Panel on the Census Bureau's Dynamics of Economic Well-Being System, National Research Council, 2006-2009.

Deputy Editor, *Demography*, 2007-2009.

Chair, Panel Study of Income Dynamics Board of Overseers, 2004-2006.

Member, Panel Study of Income Dynamics Board of Overseers, 1998-2006.

Member, Panel on Hispanics in the United States, Committee on Population, National Academy of Sciences, 2002-2006.

Member, Panel on Confidential Data Access for Research Purposes, Committee on National Statistics, National Academy of Sciences-National Research Council, 2002-2005.

Member, Panel on Data and Methods for Measuring the Effects of Changes in Social Welfare Programs, Committee on National Statistics, National Academy of Sciences-National Research Council, 1998-2001.

Member, H. John Heinz III School of Public Policy and Management Advisory Board, Carnegie Mellon University, 1998-2001.

Member, Scientific Advisory Board, Alan Guttmacher Institute, 1998-2001.

Member, Social Science and Population Peer Review Panel, National Institutes of Health, 1997-2001.

Chair, National Advisory Panel for Research Uses of Administrative Data, Joint Center for Poverty Research, Northwestern University/University of Chicago, 1997-1998.

Member, Panel on Performance Measures and Data for Public Health Performance Partnership Grants, Committee on National Statistics, National Academy of Sciences-National Research Council, 1995-1998.

Member, Research Advisory Committee, Department of Social Services, State of California, 1992-1998.

Member, Panel to Evaluate the Survey of Income and Program Participation, Committee on National Statistics, National Academy of Sciences-National Research Council, 1990-1993.

Co-Editor, *Journal of Labor Economics*, 1990-1993.

President, Association of Population Centers, 1994-1996.

Vice-President, Association of Population Centers, 1991-1993.

Member, U.S. Secretary of Health and Human Services Advisory Panel on JOBS, 1990 -1994.

Co-Editor, *Journal of Human Resources*, 1988-1991.

Member, Massachusetts Employment and Training Choices Program Evaluation Advisory Panel, 1987-1991.

Chairman, Local Arrangements Committee, Population Association of America, Annual Meetings, Chicago, 1987.

Special Member of National Institute of Health Grant Peer Review Panel, 1987.

Vice-Chairman, Program Committee for North American Meetings of the Econometric Society, 1986.

Session Organizer and Chairman, Population Association of America, Annual Meeting, 1986.

Member of Special National Institute of Health Grant Peer Review Panel, 1984.

#### **PROFESSIONAL JOURNALS REFEREED:**

American Economic Review  
Econometrica  
Economic Development and Cultural Change  
Economic Inquiry  
International Economic Review  
Journal of the American Statistical Association  
Journal of Development Economics  
Journal of Econometrics  
Journal of Human Resources  
Journal of Political Economy  
National Science Foundation  
Sociological Methodology

#### **GRANTS AND CONTRACTS:**

2006-2011      Co-Principal Investigator (with Duncan Thomas, et al.), "Preferences and Economic Decision-Making," Grant to UCLA (CCPR) from the National Institute of

- Child Health and Human Development.
- 2004-2009 Co-Principal Investigator (with John Karl Scholz and Charles Mullin), “Tax Policy and Low-Wage Labor Markets: New Work on Employment, Effectiveness and Administration,” Grant to NBER from National Science Foundation.
- 2003-2008 Co-Principal Investigator (with S. Philip Morgan, et al.), “Designing New Models for Explaining Family Change and Variation,” Grant to Duke/UCLA from National Institute of Child Health and Human Development.
- 2005-2007 Co-Principal Investigator (with Duncan Thomas, et al.), “Measuring Preferences in Social Science Experiments,” Grant to UCLA (CCPR) from the National Institute of Child Health and Human Development.
- 2002-2008 Principal Investigator (with Janet Currie), “Accidents Will Happen? Assessing Unintentional Injury and Death Rates among U.S. Children and the Influences of Income, Income Inequality, and Race and Ethnicity” Grant to UCLA from the Russell Sage Foundation.
- 1998-2006 Principal Investigator (with R. Mare), “California Census Research Data Center.” Grant to UCLA from National Science Foundation.
- 2002-2005 Principal Investigator (with Charles Mullin and John Karl Scholz), “Earned Income Tax Credit (EITC) in California,” Grant to UCLA from California Department of Social Services.
- 2000-2005 Principal Investigator (with Andrew Hildreth), “Comparing Earnings and Welfare Participation Data from the SIPP and State Administrative Records: Matched Data for California,” Grant to UCLA from HHS/Administration for Children and Families and Office of the Assistant Secretary for Planning and Evaluation.
- 2000-2002 Co-Principal Investigator (with John Karl Scholz), “The Effects of the Work Pays Demonstration, EITC Expansions and the Business Cycle on the Labor Market Behavior of the California Caseload.” Grant to Institute for Research on Poverty, University of Wisconsin-Madison, and UCLA from HHS/Office of the Assistant Secretary for Planning and Evaluation.
- 2000-2002 Co-Principal Investigator (with Jacob Klerman and Amy Cox), “Employed Former Recipients’ Use of Income Support Programs.” Grant to RAND from California Policy Research Center, Office of the President, University of California.
- 1998-2003 Principal Investigator (with R. Mare), “California Census Research Data Center.” Grant to UCLA from California Policy Research Center, Office of the President, University of California.
- 1998-2003 Co-Principal Investigator (with Jacob Klerman), “Statewide CalWORKs Evaluation.” Contract to RAND from California Department of Social Services.
- 1996-2002 Principal Investigator (with M. R. Kilburn), “Impacts of Child Care Regulations.” Grant to RAND from National Institute for Child Health and Human Development, National Institutes of Health.
- 1995-1999 Co-Principal Investigator (with L. Hao and A. Pebley), “Support and Child Development in Single Mother Families,” Grant to Johns Hopkins University and NBER from National Institute for Child Health and Human Development, National Institutes of Health.

- 1994-2000 Principal Investigator (with S. Sanders), "The Effects of Teenage and Illegitimate Births." Grant to UCLA from National Institute for Child Health and Human Development, National Institutes of Health.
- 1994-1995 Principal Investigator, Small Instrumentation Grant to National Opinion Research Center from National Institute for Child Health and Human Development, National Institutes of Health.
- 1994-1995 Principal Investigator, "Social and Economic Analysis of Demographic Change," P30 Center Grant to National Opinion Research Center from National Institute for Child Health and Human Development, National Institutes of Health.
- 1992-1993 Principal Investigator, "Economic Analysis of the Family and Demographic Change," P30 Center Grant to National Opinion Research Center from National Institute for Child Health and Human Development, National Institutes of Health.
- 1992-1994 Principal Investigator, Small Instrumentation Grant to National Opinion Research Center from National Institute for Child Health and Human Development, National Institutes of Health.
- 1992 Principal Investigator, "Demography," Grant to National Opinion Research Center from National Institute for Child Health and Human Development, National Institutes of Health.
- 1991-1994 Co-Principal Investigator (with M. Tienda), Grant to the Harris School, University of Chicago, from The Russell Sage Foundation.
- 1990-1992 Co-Principal Investigator (with M. Tienda), Grant to the Harris School, University of Chicago, from The Rockefeller Foundation.
- 1989-1991 Principal Investigator, Grant to the Institute for Research on Poverty, University of Wisconsin, from ASPE, U.S. Department of Health and Human Services.
- 1987-1990 Principal Investigator, Grant to the Economics Research Center/NORC, from National Institute for Child Health and Human Development, National Institutes of Health.
- 1986-1991 Co-Principal Investigator (with J. Heckman) on Contract to the Program in Quantitative Economic Analysis/NORC from the U.S. Department of Labor, to assess the use of non-experimental methods to estimate JTPA program impacts and study the process of selection into program.
- 1984-1986 Co-Principal Investigator (with R. Miller), Grant to the Economics Research Center/NORC, from the National Institute for Child Health and Human Development, National Institutes of Health.
- 1984-1986 Co-Principal Investigator (with J. Heckman, B. Singer and J. Hoem) Grant to the Economics Research Center/NORC, from the National Institute for Child Health and Human Development, National Institutes of Health.
- 1982-1983 Principal Investigator, New Investigator Award to Carnegie Mellon University, from the National Institute for Child Health and Human Development, National Institutes of Health.
- 1977-1978 Recipient, Dissertation Grant, to the University of Wisconsin from the U.S. Department of Labor.

## PUBLICATIONS:

“An Economic Model of Amniocentesis Choice” (with Eduardo Fajnzylber and Seth G. Sanders), forthcoming in *Advances in Life Course Research*.

“Employment and Wage Prospects of Black, White, and Hispanic Women,” (with Marta Tienda, Avner Ahituv and Michelle Bellessa Frost), in *Human Resources Economics and Public Policy: Essays in Honor of Vernon Briggs, Jr.*, C. Whalen, ed., Upjohn Institute Press, 2010, pp. 129-160.

“Economics and the Earned Income Tax Credit: A Comment,” in *Better Living Through Economics: How Economic Research Improves Our Lives*, J. Siegfried, ed., Harvard University Press, 2010, pp. 106-109.

“Dealing with Limited Overlap in Estimation of Average Treatment Effects,” (with Richard Crump, Guido Imbens and Oscar Mitnik), *Biometrika*, 96(1), January 2009, 187-199.

“Consequences of Teen Childbearing for Mothers,” (with S. McElroy and S. Sanders) in *Kids Having Kids: Economic Costs and Social Consequences of Teen Pregnancy*, 2<sup>nd</sup> Edition, ed. by S. Hoffman and R. Maynard, Urban Institute Press, 2008, 51-74.

“Intergenerational Ties: Alternative Theories, Empirical Findings and Trends, and Remaining Challenges,” (with Suzanne Bianchi, Kathleen McGarry and Judith Seltzer), in *Intergenerational Caregiving*, A. Booth, N. Crouter, S. Bianchi and J. Seltzer eds., Urban Institute Press, 2008, 3-44.

“Nonparametric Tests for Treatment Effect Heterogeneity,” (with Richard Crump, Guido Imbens and Oscar Mitnik), *Review of Economics and Statistics*, 90(3), August 2008, 389-405.

“Can Administrative Data on Child Support Be Used to Improve the EITC? Evidence from Wisconsin,” (with J. K. Scholz), *National Tax Journal*, 61(2), June 2008, 189-204.

“Games Parents and Adolescents Play: Risky Behaviors, Parental Reputation, and Strategic Transfers,” (with Lingxin Hao and Ginger Zhe Jin), *Economic Journal*, 118(528), April 2008, 515-555.

“Cohort Changes in the Transition from School to Work: Evidence from Three NLS Surveys” (with M. Bacolod), *Economics of Education Review*, 25(4), August 2006, 351-373.

“Evaluating the Differential Effects of Alternative Welfare-to-Work Training Components: A Re-Analysis of the California GAIN Program,” (with Guido Imbens and Jacob Klerman), *Journal of Labor Economics*, 24(3), July 2006, 521-566.

“Hispanics in the U.S. Labor Market,” (with B. Duncan and S. Trejo), in *Hispanics and the American Future*, ed. by M. Tienda and F. Mitchell, Washington, DC: National Academies Press, 2006, pp. 228-290.

“Explaining Family Change and Variation: Challenges for Family Demographers,” (with J. Seltzer, C. Bachrach, S. Bianchi, C. Bledsoe, L. Casper, P. L. Chase-Lansdale, T. DiPrete, S. P. Morgan, S. Sanders, and D. Thomas), *Journal of Marriage and the Family*, 67, November 2005, 908-925.

“Teenage Childbearing and Its Life Cycle Consequences: Exploiting a Very Natural Experiment,” (with S. McElroy and S. Sanders), *Journal of Human Resources*, 40(3), Summer 2005, 683-715.

“Predicting the Efficacy of Future Training Programs Using Past Experiences at Other Locations,” (with G. Imbens and J. Mortimer), *Journal of Econometrics*, 125, March-April 2005, 241-270.

#### **VOLUMES EDITED:**

Special Issue on Child Care, D. Blau and V. J. Hotz, eds., *Journal of Human Resources*, 27(1) (Winter) 1992.

#### **WORKING PAPERS:**

“Identification of Regressions with Missing Covariate Data,” (with Esteban Aucejo and Federico Bugni), Preliminary draft, February 2010.

“Modeling College Major Choices using Elicited Measures of Expectations and Counterfactuals,” (with Peter Arcidiacono and Songman Kang), Unpublished manuscript, January 2010 (under review).

“The Impact of Regulations on the Supply and Quality of Care in Child Care Markets,” (with Mo Xiao), Unpublished Manuscript, January 2010 (final revision for *American Economic Review* in process).

“Living Arrangements among Elderly Women using the Panel Study of Income Dynamics,” (with Kathleen McGarry and Emily Wiemers), Unpublished manuscript, December 2009.

“Strategic Information Disclosure: The Case of Multi-Attribute Products with Heterogeneous Consumers,” (with Mo Xiao), Unpublished manuscript, July 2009 (under review).

“Parental Learning and Teenagers’ Risky Behavior,” (with L. Hao, G. Jin and J. Pantano), Unpublished manuscript, April 2009.

“Strategic Parenting, Birth Order and School Achievement,” (with Juan Pantano), Unpublished manuscript, May 2008.

“How of the Returns to Schooling and Work Experiences Changeover the Last 40 Years? Evidence from the NLS Cohorts,” (with M. Bacolod and D. McKee), preliminary draft, February 2007.

“Attitudes to Risk, Time Preferences and Socio-Economic Status: Experimental and Survey Evidence,” (with Hector Conroy, Catherine Eckel, Amar Hamoudi, Cathleen Johnson, Cesar Martinnelli, Susan Parker, Luis Rubalcava, Seth Sanders, Duncan Thomas, and Graciela Teruel), Unpublished manuscript, October 2006.

“Examining the Effect of the Earned Income Tax Credit on the Labor Market Participation of Families on Welfare,” (with Charles Mullin and John Karl Scholz), Unpublished manuscript, September 2006 (under revision for the *Review of Economics and Statistics*).

“Estimating Dynamic Discrete Choice Models with Heterogeneous Agents: A Cluster Analysis Approach,” (with Moshe Buchinsky and Jinyong Hahn), Unpublished manuscript, April 2005.

“Did the Returns to the Early School and Work Experiences of Young Adults Change Across Cohorts over the Last 40 Years?” (with M. Bacolod), Unpublished manuscript, October 2004.

“Trends in EITC Take-Up and Receipt for California’s Welfare Population, 1992-1999,” (with C. Mullin and J. K. Scholz), Unpublished Manuscript, August 2003.

“The Effects of Welfare Reform on Employment and Income: Evidence from California,” (with J. K. Scholz and C. Mullin), Unpublished manuscript, March 2003.

“The Returns to Early Work Experience in the Transition from School to Work for Young Men in the U.S.: An Analysis of the 1980s,” (with L. Xu, M. Tienda, and A. Ahituv), August 1996.

“Regulating Child Care: The Effects of State Regulations on Child Care Demand and Its Cost,” (with R. Kilburn), March 1996.

“Estimating the Demand for Child Care and Child Care Costs: Should We Ignore Families with Non-Working Mothers?” (with R. Kilburn), February 1992.

“A Statistical Portrait of Child Care Utilization in the U.S. by Working and Non-Working Mothers,” (with R. Kilburn), February 1992.

“The Economics of Family Planning,” (with R. Miller), May 1987.

“Risk Sharing and the Union Status of Firms: A Study of the Construction Industry,” January 1987.

“Estimating Systems of Nonlinear Equations with Limited Dependent Variables,” (with R. Avery), Unpublished Manuscript, November 1985.

“Estimation of Multiple Indicator Multiple Cause Models with Discrete Indicators,” (with R. Avery), Unpublished Manuscript, March 1985.

## PROJECT REPORTS:

*Program Take-Up Among CalWORKs Leavers: Medi-Cal, Food Stamps, and the EITC: An Evaluation of Participation in Work-Support Programs by CalWORKs Leavers*, (with J. Klerman, A. Cox, C. Mullin and J. K. Scholz), Rand WP #730, December 2009.

*The Earned Income Tax Credit: Its Impact on California's Low-Income and Welfare Populations*, (with J. K. Scholz), Final Report to California Franchise Tax Board, September 2005.

*Welfare Reform in California: Early Results from the Impact Analysis*, (with J. Klerman, E. Reardon, A. Cox, D. Farley, S. Haider, G. Imbens and R. Schoeni), Report MR-1358-CDSS, RAND, 2002.

*Welfare Reform in California: Design of the Impact Analysis*, (with J. Klerman, G. Imbens, P. Steinberg, E. Reardon, P. Ebener, J. Hawes-Dawson), Report MR-1266.0-CDSS, RAND, 2000.

*EITC Eligibility, Participation and Compliance Rates for AFDC Households: Evidence from the California Caseload*, (with C. Hill, C. Mullin and J. K. Scholz), Final Report to the U.S. Department of Health and Human Services, California Department of Social Services and California Franchise Tax Board, April 1999.
