## Committee Approval Form

These forms must be submitted via Perceptive Content by the Department's DGSA at least 30 days prior to milestone.

* At least four members of The Graduate Faculty are required to serve on preliminary and final dissertation committees. Master's committees require at least three members.
* There must be at least two members from the student's graduate program or department, a total of three must be from the primary research field/area, and one, the MAR, must represent a minor area in relation to the student's research.
* All approved committee members must participate synchronously in the exam.
