No tickets are required. **Open seating** is provided for all guests on the second floor of Cameron Indoor Stadium. As these seats offer the best lines of sight to the stage, we recommend sitting upstairs when possible.

Designated accessible seating can be reserved on the first floor of Cameron Stadium when you RSVP. This seating is intended for guests using wheelchairs, and/or persons with mobility, visual, or hearing impairments. A limited number of assisted listening devices will be available at the sound booth.

Three (3) companions may accompany each guest with a disability in these designated sections. However, we will do our best to seat your entire party together.

## Important Details

**The Economics Recognition Ceremony** will begin after the University Ceremony. Refreshments will be provided on the first floor of Cameron for you to take to your seats prior to the start of the Economics Recognition Ceremony at noon. We anticipate the event will last about one hour, with a definite end time no later than 1:30pm.

A professional photographer, **Photo Specialties Inc.**, will take photos of the graduates as they cross the stage and after they receive their diplomas. The proofs will be mailed to the graduates' Duke email addresses. Purchase is optional.
